Fees: Program fees for children attending the Center for specific days/times will be charged on a monthly basis and it is based on the number of instructional days and is dividing into 10 equal monthly payments. Fees are due by the first working day of each month. A charge will be applied to late payments. Post-dated checks are required for each 10 months period (September to June) to eliminate the time-consuming effort of collecting the fees every month. Post-dated cheques will be held in trust at our administration office and are returnable for any reason upon your request. A government subsidy is available for those who are eligible; net
